DECISION Trusted Equipment Supply Partner for Heavy Industries

For over six decades, **DECISION** has been a name synonymous with reliability, excellence, and innovation in the field of heavy industry services. Among our core competencies is the supply of high-performance equipment to a wide range of heavy industrial sectors. From oil & gas and petrochemicals to construction, mining, and power generation — **DECISION** ensures the delivery of cutting-edge, durable, and safety-certified equipment that meets the evolving demands of complex industrial environments. With an in-depth understanding of industry requirements and a robust global supply network, we deliver equipment solutions that are efficient, cost-effective, and aligned with international standards. Our reputation is built not only on the quality of the products we supply, but also on the consistency, transparency, and integrity that we bring to every client engagement.

INDUSTRIES WE SERVE

DECISION proudly serves a wide range of heavy industries, including:

1. OIL & GAS

We supply explosion-proof, corrosion-resistant equipment essential for both upstream and downstream operations. Our inventory includes pumps, compressors, separators, drilling equipment, valves, and pipeline components.

2. CONSTRUCTION AND INFRASTRUCTURE

From tower cranes and earthmoving equipment to scaffolding systems and concrete batching plants, we provide machinery that enhances safety, efficiency, and speed in construction projects.

3. MINING AND QUARRYING

BINZAAL delivers robust mining machinery designed for extreme working conditions — including crushers, conveyors, drilling rigs, and dust control systems.

4. POWER GENERATION AND UTILITIES

We supply generators, turbines, transformers, boilers, and control panels to power plants and utility service providers, ensuring reliable performance and compliance with regulatory standards.

5. MANUFACTURING AND INDUSTRIAL PLANTS

For the manufacturing sector, we provide production-line equipment, assembly systems, HVAC units, and automation tools essential for smooth operations and increased productivity.

DECISION maintains a wide range of electro-mechanical equipment available for rental with experienced operators at highly competitive rates. Our equipment is well-suited to support various project activities, including steam and boiler cleaning, tank cleaning, liquid vacuuming, and tank and pipe cleaning.

The equipment available at our disposal includes tankers, front-end loaders, excavators, super suckers, and cyclone hoppers.
